The students were excited to know more about what needs to be changed in them to fulfill their expectations. The Head of Department Adv. Manisha Kulkarni took a session on "Be The Change" to enable the students to adapt to the changing circumstances and be focused on their dreams. She built the confidence in the students by making each one of them understand that:

- a. Everyone is unique and possesses some strengths and weaknesses.
- b. One should try to overcome these weaknesses by building a positive attitude.
- c. The subconscious mind guides the conscious mind and hence
- d. One's thought process should learn to accept whatever happens, take learning's from the same and move ahead towards excellence.

### Precious Moments

All the students were told to make a list of their weaknesses and the chits were burnt to make them experience that they are free of them and have evolved as new selves maintaining their strengths; to face the challenges of life.

### Outcome

All the students appeared to be delighted by this experience and full of happy thoughts.

### Summary

The director of the institute Dr. Abhay Kulkarni imbibed the importance of improving day by day amongst the students to evolve as professionals. It was followed by a session on innovation by Dr. SudhirHasamnis adjunct faculty at IICMR. He made the students understand that in order to survive in the global economy, it was a must to excel with innovative ideas.

During post lunch the students and the faculty members were introduced to the Eduknox software, a platform to keep them connected and its use. All the students enjoyed Zumba towards the end of the day. The students were left early as they were required to be ready early morning the next day for outbound activity.

### Precious Moments

#### Outcome

The students became aware about the improvement they should be bringing in whatever tasks they perform to achieve excellence in whatever they do. The importance of innovation focused on out of the box thinking practices that the students need to inculcate amongst them. The students were made alert that their performance was available and they would be monitored through eduknox software. After the power packed sessions, the students enjoyed zumba.

MBA @ IICMR Organizes, Business Process Excellence 2018  
Connecting The Dots

### REPORT

On

MBA @ IICMR, BPE 2018

Ref-IICMR/MBA/2018-19

Date : 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup> October, 2018

Venue: IICMR, Auditorium

Time : 10:00 a.m. to 4:00 p.m.

Attended By: Faculty members and Students of IICMR and other Institute

#### Introduction

Commitment towards excellence as a core value is practiced at MBA @ IICMR through a series of activities. As a part of the tradition Business Process Excellence 2018 with a theme "Connecting The Dots" was held on 5<sup>th</sup>, 6<sup>th</sup> & 7<sup>th</sup> October 2018. The program was held with a view to enlighten the students about how the various dots need to be connected in the Business Processes to march towards excellence.

#### Day 1

The inaugural session was followed by the felicitation of chief guest by Dr. Abhay Kulkarni, Director IICMR. Later, Adv. Manisha Kulkarni, HOD MBA, briefed about the journey BPE continuum. Dr. Abhay Kulkarni Director IICMR gave a detailed explanation on what, how and why Business Excellence is inevitable.

Swapnil Khanolkar MD-Asia Tredegar Corp was the chief guest for the inaugural session.

He expressed that to connect the dots, industry needs candidates with the habit of seeing interconnection between issues, information and trends which may seem to be unrelated on the surface. Sir discussed 5 commandments for success in any profession

- Continuous learning – as degree has an expiry date
- Take Risks , Think Big
- Strive for number 1 or 2 and lead
- Networking
- Ethics and Integrity

The session was concluded by Adv. Manisha Kulkarni followed by a lunch break.

The post lunch session was taken over by Mrs. Maushmi Divekar Ex - AVP, Max New York Life Insurance. She shared her views on changes due to disruption. Mr. Jeetendra Sharma, Ex GM - Kimberly Clerk and Mr. Devdatta Mandore, Founder Webclinchr. They enabled the students to think through the digital marketing journey that would help the business houses to add value to customers. Mr. Dilip Tikle, Founder and Consultant discussed about the required technology for rejuvenated business processes.

## Day 2

Mr. Vighnahari Deo SKF Group IT Incident Management Process Champion, started his discussion with a statement, "Customers expectations are the same from a service whether you deliver a pizza, repair a car or deliver a project". Sir explained how responsibilities are required to be dealt with in service sector by giving the example of the latest responsibility given to him by SKF where, communication and collaboration were leading words in the project. He discussed that, to ensure successful implementation of any project on time, the following steps can be used as a guideline.

- Know your customers
- Tailoring customers' expectations
- Identify what can be changed in given time and things that cannot be changed. (Don't promise anything that cannot be achieved.)
- Plan for delivery with 4 W & 1H. Why, Who, Where, When, How
- Review the progress, prepare a customer user friendly communication plan.
- Timely Appreciation on achieving small targets.

Ms. Nora Bhatia Mahindra Accelo Chief - HR & Corporate Admin, HR Role in Reskilling the Human Resource. She discussed that when four to five generations are working together in any organization to meet its goals, the role of an HR Executive is extremely challengeable. She expressed that today's generation is overwhelmed, distracted and impatient. And its only with the right attitude that one can always continue to learn, irrespective of the diversities.

CMA. Sunil Joshi, CMA Finance Forum and CFP Sudhakar Kulkarni Managing Partner, Securities spoke on the connectivity in Cost Cutting, Cost control, Financial Stability and Business Excellence. They said that, global competition has reduced down profit margins drastically. Hence, operations should be rationalized in such a way that with the same

resources profitability can be maintained. Businesses should try to convert the cost centers into profit centers.

The day was concluded with the valuable inputs of Mr. Ankush Bhandari Head (India) IMS Proschool-CPS, on process development.

### Day 3

The day started with the felicitation of Mr. Jay Dholakia, PMP Professional, Sr. Practice Director – KPIT. He discussed that the characteristics of any business process include definite boundaries, inputs & outputs, list of activities, time limits specified etc. Further he stated that any business process has three categories:

- Operational Processes – Taking customer orders & managing bank accounts
- Supporting Processes – Accounting & HR Management
- Management Processes – Strategic Planning & Budgeting.

Of all the three, Operational Processes are critical as they bring revenue. They deliver value to customer by helping to produce a product or service. Process Excellence should seek to ensure standardization & coordination of expectations across different processes.

This was followed by a panel discussion between Dr. Jayant Abhyankar, Founder Sharangdhar Pharma and Mr. Parag Gore, Founder Business Mantra on Emerging business Process Outsourcing as an opportunity for entrepreneurs.

Later on there was another panel discussion amongst, Mr. Parag Auty, Head – Business Excellence CVBU, Tata Motors Ltd, Mr. Sudhanshu Panse, Samanway Management Consultants and Dr. Sudhir Hasamnis, Adjunct Faculty for MBA on how to collaborate and integrate business functions.

The two panel discussions were followed by the valedictory function. The guest for the valedictory function was Mr. Sarfaraz Maner GM – HR, TATA Motors Ltd, Pune wherein he gave valuable views Human Resource most powerful resource to connect the dots, i.e. to enable and drive process excellence and projects. The programme concluded with the distribution of the certificates by the hands of the Chief guest and Vote of thanks by Adv. Manisha Kulkarni coordinator of BPE 2018.

### Outcome

- Developing confidence amongst the students for open discussion with industry professionals.
- Awareness about the expectations of corporates from management professionals.
- Recognition of the skills the students need to develop to adapt to the changing scenarios in employment market.
- Connecting the dots between campus to corporates.....

**Inter Collegiate Business Competition**  
**UDAAN-2019 "EMI for Excellence: Explore, Motivate and Improve"**  
**Saturday & Sunday, 2<sup>nd</sup> and 3<sup>rd</sup> March, 2019**

**1. Background**

The overall aim of this competition is to provide students with a high level of knowledge and understanding of the concepts and processes of business management and to equip them with the practical research and analytical skills necessary for a professional career in business management.

Although creative thinking in the classroom is essential for scoring high marks, being able to transfer that thinking into solutions to address real-world problems is absolutely critical. Hence, providing an environment that fosters innovation toward more sustainable business strategies and practices is essential for management students.

Hence, We Institute of Industrial & Computer Management & Research (IICMR), in association with PMI come up with an unique idea to give students the opportunity to pitch their business cases to real-life venture by organizing inter college project competition .

This exciting competition challenge students to apply their critical thinking, communication, and technology skills to a real-world problem. This will become a forum to interact, share and express their views in the field of business and help to uncover the forte within them.

The challenge is to take an entrepreneurial approach think out of the box and at the same time ensure that your idea is environmentally viable and economically feasible. This will be real test of the power of students' logical thinking, their approach towards business and innovative ideas.

**2. Scope (Eligibility Criteria)**

This competition is Open for UG level students & PG level students of all streams from all over state to compete on a big scale and showcase their talent.

**3. Objectives**

1. To explore and encourage students for conducting high-quality projects.
2. To motivate students to unleash hidden potentials.
3. To improve business management skills.

4. To describe and analyse the way business operate specifically the key undertakings and relationships.
5. To provide an academic underpinning through the application of management theory and research.

#### 4. Significance

1. Understand recent business ideas and innovations.
2. Develop out of box and logical Thinking

**Report on SDP – 3 Know your dream company**

**Plan:**

Under the roof of SDP 2018-19, "Know your dream company" was conducted by MBA @ IICMR on Friday 31<sup>st</sup> August 2018. The students were allotted different sectors from where they had to choose company of their choice like IT, Agriculture, Pharmaceutical, Banking etc with consent of mentor a week in advance. They were informed to prepare PowerPoint presentation on the company chosen by them from the allotted industry.

**Event:**

All the nine groups presented as per the rules given to them like the company's vision, mission, objectives and future plans should be presented with the additional information of the sector. The students were allowed to prepare maximum 15 slides of their presentation.

They were given 10 mins for presentation followed by 3 mins for questions on the same.

Critical evaluation was done and feedback was given by the eminent judges Dr. Abhay Kulkarni and Adv. Manisha Kulkarni.

**Golden Moments:**

**Desired Outcome:**

The activity was planned with the objective of making the students aware about the current happenings, importance of vision, mission objectives of the company. Even to update the students about the company future plans and innovations.

**Students Feedback:**

The students enjoyed entire activity and were happy to learn the following:

1. Experience to overcome the fear of stage daring, mike handling and posture.
2. Expressing their opinion about the given content and time limit.
3. Energizing the whole activity with competing, communicating and coordinating.

**Winners:**

"Impressive Eagles" Team who presented on IIM (A) was declared winner unanimously by both the judges.

**Student Development Achieved:**

- ✓ Overcoming on student stage fear, confidence and communication.
- ✓ Inculcating habit of designing, reading and explaining the information.
