Business Model

- Competition is increasing day by day. Everyone is trying to achieve success and wants to be popular. With this thought, a group of students started something new useful to students.
- Unacademy is an online education company that provides notes, sample papers, and offers students to prepare for their entrance exams, bank jobs, and other professional courses.

Challenges at time of covid-19

- High competition among others.
- Donation for unacademy.
- To provide more quality over quantity.
- Supporting team.
- Patience in growth.
- Affordable education.
- Lack of staff members.

Sales post covid-19

- The Bengaluru-based company mainly generates revenue from course subscription fees it collects from students. Collection from this vertical grew 81% to Rs 705.5 crore in FY22 from Rs 390 crore in the previous fiscal year. It made another Rs 13.7 crore from the sale of educational materials during FY22.
- When it comes to expenses, employee benefit expenses emerged as the largest cost center contributing nearly 48% of the total expenditure. This cost surged 136.8% to Rs 1,771 crore in FY22 including Rs 1,140 crore of ESOP expenses which were settled in cash and equity. ESOPs expenses formed around 31% of its total expenses.

Policies of the company and support

- During COVID-19 Pandemic, Government of India has held various consultations with the States and UTs at different levels. Also, a brain storming session was held with Civil Society Organizations (CSOs) in January, 2021 for taking their views/ perspectives to assess and to bridge the learning gap in the Covid-19 pandemic period.
- Education is in the concurrent list of the Constitution and majority of the schools are under the domain of respective State and UT Governments. However, to ensure that every student gets continued access to education, a multi-pronged approach has been adopted.

Policies of the company and support

- A comprehensive initiative called PM e-VIDYA has been initiated as part of Atma Nirbhar Bharat Abhiyan on 17th May, 2020, which unifies all efforts related to digital/online/on-air education to enable multi-mode access to education. The initiative includes:
- DIKSHA (one nation, one digital platform) is the nation's digital infrastructure for providing quality e-content for school education in states/UTs and QR coded Energized Textbooks for all grades are available on it. 35 of the 36 states and UTs have on boarded on DIKSHA platform and contextualised the content as per the local need.

Policies of the company and support

- A comprehensive initiative called PM e-VIDYA has been initiated as part of Atma Nirbhar Bharat Abhiyan on 17th May, 2020, which unifies all efforts related to digital/online/on-air education to enable multi-mode access to education. The initiative includes
